**THEME:** 

**TOOLBOX: TOOLS FOR EMANCIPATION**
The WOMAN JOURNAL is a periodical that focuses on NOTIONS OF GENDER in regards to the spaces we inhabit, with an INTERSECTIONAL FEMINIST PERSPECTIVE.
THE NEXT ISSUE’S THEME IS TOOLBOX: TOOLS FOR EMANCIPATION.

We love the craft and DIY and want the magazine to be a resource.

TOOLBOX refers to the desire to share know-how, practices, tutorials and experiences, which we believe participate in creating COMMUNITY.
TOOLS FOR EMANCIPATION
refers to the way alternative organizations and experimentations of new societal models are shared and passed on.

THE NEXT ISSUE’S THEME IS TOOLBOX:
TOOLS FOR EMANCIPATION.
