Networks over space and time: modelling, analyzing, and representing complex data in the digital humanities

November 8th 2013, FCSH, New University of Lisbon, Lisbon, Portugal

WG1, Spatial and temporal modelling: representation of space and time, NeDiMAH

Call for applications:

To support the professional development of Ph.D. students and early-career academics (i.e. post-docs) working in the field of Humanities and/or Digital Humanities, the NeDiMAH’s WG1 offers travel support for up to 10 individuals to attend its Third Workshop to be held in Lisbon, Portugal, November 8, 2013. The theme of the workshop will be: “Networks over space and time: modelling, analyzing, and representing complex data in the digital humanities” (Programme available at http://www.nedimah.eu/)

Ten (10) Individual awards of up to 300€ will be made available. These awards can be used for travel and lodging expenses. Awardees will need to submit receipts for reimbursement.

All grants assume full participation in the conference and in the discussion sessions.

Dates:

Application materials should be submitted to the WG1 Core Committee by October 15, 2013.

Awardees will be notified of award decisions by October 18, 2013.

Requirements:

The applicant's research must relate to the application of digital methods and tools to the Humanities, and they must be working in one of the following countries (ESF Member Countries that support NeDiMAH): Bulgaria, Croatia, Denmark, Finland, France, Germany, Ireland, Netherlands, Norway, Portugal, Romania, Sweden, Switzerland or United Kingdom.

The applicant's brief (one page) curriculum vitae. A statement (one page) describing how participation in the workshop will benefit the applicant’s professional development and current research.

A formal confirmation that the applicant is currently enrolled in a Ph.D./Post-Doc program.

All the applicants should register here: https://networks-space-time-lisbon.eventbrite.co.uk/

These materials should be submitted electronically to:

NeDiMAH’s WG1 (Space and Time)
