Forms of Participation:

- Keynote speech at the plenary session (20 minutes)
- Presentation at a panel (10-12 minutes) (materials to be published in the proceedings)
 - Holding a workshop
 - Presentation without a publication
 - Participation in the Conference as a listener.

To participate in the Conference, please fill in the registration form on the website of the Department of Foreign Languages (Technical Programs), NSTU (<http://iytf.nstu.ru>) **before December 20, 2017** and provide:

- 1) Your article (kindly refer to Guide for authors, Appendix 1);
- 2) Expert report on the possibility of open publication.

Files containing the application form and article should be named as follows: Ivanov I.I._Application, Ivanov I.I._Article, Ivanov I.I._Expertise on the possibility of open-access publication of the material.

Organizing Committee of the Conference reserves the right to refuse publication of the articles which are not relevant to the perspective of the Conference or formatted with the violation of the respective rules.

Text of the article should not exceed 40,000 characters (spaces included). **PUBLICATION OF THE ARTICLES IS FREE.** Soft copy of the proceedings will be available.

Undergraduate and graduate students must provide **a referee report signed by their scientific advisor.**

The proceedings are included in Russian Science Citation Index.

For more detailed information regarding the Conference please refer to the Department of Foreign Languages (Technical Programs), NSTU via phone: +7(383)346-03-23 or via email: kaf_iy_tf@corp.nstu.ru

Guide for authors

The articles will be accepted in .doc and .docx formats, processed in MS Word, line spacing — 1, printing type — Times New Roman, type size — 14, all fields — 2 cm, indentation — 1 cm, full justification, no automatic hyphenation.

Drawings, tables, graphs and diagrams will be published in black-and-white and should be provided as an image in the text of the article.

The article should be formatted as follows:

- first line (aligned left) – UDC;
- second line is empty;
- third line (full justification, bold type, capital letters, no full stop at the end — title of the article;
- fourth line is empty;
- fifth line (centered horizontally, bold type) — author's/authors' initials and last name, no more than three authors per one article;
- sixth line (centered horizontally, italics) – full name of the organization, city and country;
- seventh line (centered horizontally, italics) – author's/authors' e-mail(s);
- eighth line is empty;
- ninth line (full justification) – abstract of the article (maximum 500 characters, spaces included, entitled “Abstract”);
- tenth line (full justification) – keywords (maximum 5 words, entitled “Keywords”).

Source references are provided after the quotations in square brackets as in the example: [Searle 2010: 49]. Reference list is provided after the text of the article in alphabetical order, preceded by the word “LITERATURE” (centered horizontally, capital letters, no quotation marks, bold type). Reference list is formatted in accordance with the national standard ГОСТ Р 7.0.5–2008 «Библиографическая ссылка».

Examples in the article should be in italics.

Concept names should be in capital letters: concept FREEDOM.

Tables should have numbers and titles. E.g. “Table 1. — title” (aligned left before the table). Title and number of an image are indicated after the image (“Fig. 1. Title”, full justification). The only table or image should not be numbered. Tables, schemes and images should be grouped.
