

POST-CONFERENCE MONOGRAPH - CALL FOR PAPERS

After a very successful conference on Computer-Mediated Communication and Social Media Corpora for the in Bolzano (Italy) in October 2017 (<https://cmc-corpora2017.eurac.edu/>) we are preparing a post-conference monograph to be published by Clermont Auvergne University Publishing House (France) in the fall of 2018 as part of their Linguistics collection [Cahiers du Laboratoire de Recherche sur le Langage](#). An open-access version will also be made available.

We invite unpublished original work focusing on the collection, analysis and processing of computer-mediated communication, such as exchanges on social media (Facebook, Twitter, etc.), forum posts, news comments, wiki discussions and blog entries as well as e-mail, SMS, WhatsApp, YouTube and discussions in multimodal environments. Authors who did not present at the conference are also welcome.

Topics of interest

- Development of CMC corpora
- Building CMC corpora: from data collection to publication
- Open data for research on CMC: questions of ethics and rights
- Annotation of CMC genres: representation of CMC genres, annotation of linguistic phenomena, metadata
- Multimodal corpora
- Analysis of CMC corpora
- Sociolinguistic studies of CMC
- Discourse analysis of CMC
- Linguistic characteristics of CMC
- Multimodal aspects of CMC
- Language in contact and code-switching in CMC
- CMC in language learning & teaching
- Natural Language Processing of CMC
- Normalization
- PoS Tagging
- Lemmatization
- Syntactic parsing
- Named-entity recognition

Submission format

- The foreseen length of book chapters is 8,000 words.
- A formatting template can be found here: <https://cmc-corpora2017.eurac.edu/cfp/>

Submission procedure

- Submissions should be sent by email: cmc-corpora2017@eurac.edu
- Submissions will be reviewed by two members of the scientific committee.

Important dates

- Submission of extended papers: 15 Jan. 2018
- Notification of acceptance/rejection: 15 March 2018
- Submission of revised versions: 15 May 2018
- Expected publication: Autumn 2018
