

## **CALL FOR PAPERS / APPEL A CONTRIBUTION**

The African Journal of Migration and Environment launches a call for contributions for its Volume 2 (No 1 & 2) whose theme is open about environment, migration and the links between the two concepts, being understood that the proposed articles should be based on a problem in Social Sciences (Sociological / Anthropological, Geographical, Economic, Law or History).

All interested colleagues are strongly encouraged to submit articles in English or French not exceeding 7500 words with a 300 words abstract (English and French), bibliography included.

The deadline for sending the full article (English or French) and the summary (English and French) is **30 March 2019**;

After the notification of the pre-selected articles, the authors will have one month to finalize their articles. Publication fees are 90 \$.

NB: We urge the authors to apply the guidelines to standards *Chicago Manual of Style (CMOS)* – *Author and date*
