

Call for Papers
24th International Conference on Theory and Practice of Digital Libraries

TPDL 2020

August 25-28, 2020, Lyon, France

<http://eric.univ-lyon2.fr/tpdl2020/>

Aims and Scope

The main objective of the TPDL series of conferences (formerly ECDL) is to provide a forum for the dissemination of research accomplishments and to bring together researchers, developers, content providers and users in the field of digital libraries. **TPDL 2020** will consist of **regular sessions** with technical contributions reviewed and selected by an international program committee, as well as of **invited talks** presented by leading scientists. **TPDL 2020** will be co-located with:

- **24th European Conference on Advances in Databases and Information Systems (ADBIS 2020)**
- **16th EDA days on Business Intelligence & Big Data (EDA 2020)**
- **Workshops and a PhD consortium**

Keynotes

- **Amr El Abbadi** (University of California, USA): **Fault-tolerant distributed systems and databases**
- **Johann Gamper** (Free University of Bolzen-Bolzano, Italy): **Processing and querying temporal data**
- **Ioana Manolescu** (Inria Saclay--Île-de-France et Ecole Polytechnique, France): **Rich Data Exploration at Cloud Scale**
